## DESCRIPTION

The artist studio is located in the studio house of the registered non-profit association culturLAWINE in Berlin-Weissensee. In the studio I work, the artist Micha Koch.

Since I do not always use the whole studio, I like to invite temporary cooperation partners.

The team includes the designer Christian Mettel and the photographer and façade designer Philipp Ganzer.

The 180 sqm ground floor in the studio house in the courtyard of the property is sunny, but can also be darkened.

Of this, 100 square meters can be used for a variety of artistic activities, such as workshops, film productions, photo shootings, dance/theatre work, exhibitions, presentations or other communicative projects.

Non-profit partners are preferred.

We are easily accessible by tram 12, M13, M2 and M 4.

In our quiet street in front of our house you will always find free parking spaces.
